The Audition Application

EYSO Audition Applications and Scheduling can be completed online at www.eyso.org. After submitting an online application to audition, you will be able to select a specific audition time. There is a \$35 audition fee for current EYSO members and a \$45 audition fee for non-EYSO members. All auditions fees are non-refundable. The audition fee may be paid online by credit card. Checks (payable to EYSO) should be mailed with an online payment voucher **OR** with a completed paper audition application (you will be contacted regarding an audition time) to:

Elgin Youth Symphony Orchestra, PO Box 6508, Elgin, IL 60121-6508

Double check your assigned audition time to make sure your calendar is clear. We understand that schedules change and things happen—we will gladly alter an audition time before May 15. After May 15, you will be charged an additional \$25 for changing audition times.

What to Prepare

1. Solo Repertoire

Prepare two contrasting selections totaling 2-3 minutes: one should be faster and more technical in nature to demonstrate your facility on the instrument and the other should be slower and more lyrical to illustrate your musicality and expressivity. Selections may include solo literature, etudes or appropriate orchestral excerpts. Choose these selections carefully with guidance from your instrumental teacher, as they must show your abilities on the instrument. Selections that are beyond or beneath your skill level will not enhance your audition results. Selections do not need to be memorized. *No accompanist is required.* **Please bring two photocopies of each piece for the adjudicators' reference.** *Harp and piano players are requested to call the EYSO Administrative Office (847-841-7700) for audition requirements.*

2. Scales

Every audition will include a demonstration of your knowledge of scales. For specific information, see the requirements on the following page.

3. Sight reading

Every audition will include appropriate-level sight reading of rhythms and orchestral excerpts.

The Day of Your Audition

Please arrive at Elgin Community College Visual and Performing Arts Center at least 30 minutes prior to your scheduled time. You will register at the check-in desk, receive your audition room assignment, and have a chance to warm-up. Your audition will be approximately ten minutes in length.

Student placement in EYSO ensembles is competitive and ranked in order of artistic quality. Those qualities include: superiority of tone, technical ability, intonation, vibrato, dynamic contrast, range, articulation, musicality, phrasing, rhythmic skill, artistic expression, style, and overall accuracy. Meeting the requirements of an orchestra does not guarantee placement.

The Elgin Youth Symphony Orchestra is an In-Residence Ensemble at the ECC Arts Center
